## Required Information To Be Attached

(Submit three (3) copies of each):

(a) The names and addresses of all persons, organizations, corporations, or groups owning land, any part of which lies within five hundred (500) feet of the property proposed to be reclassified as shown on the current assessment records of the State Department of Assessments and Taxation.

(b) A statement of the grounds for the application including:

(1) A statement as to whether there is an allegation of mistake as to the existing zoning, and if so, the nature of the mistake and facts relied upon to support this allegation.

(2) A statement as to whether there is an

allegation of substantial change in the character of the neighborhood, and if so, a precise description of such alleged substantial change.

(c) A statement as to whether, in the applicant's opinion, the proposed classification is in conformance with the Master Plan and the reasons for the opinion.

(d) A Concept Plan shall be submitted by the applicant at the time the application is filed. The Concept Plan shall illustrate the following:

(1) Location of site.

(2) Proposed nature and distribution of land uses, not including engineering drawings.

(3) Neighborhood (as defined by the Applicant).

WHITEFORD PACKING CO., INC.

(b)(1) The Applicant maintains that there is a mistake as to the existing GI zoning. This property as shown on the 1996 Land Use Plan is designated "Rural Village". (See attachment (b)(1) Land Use Map & Key). The property has frontage on Md. State Route 136, which is rural minor arterial road. The current GI zoning is not consistent with the Master Plan and a rezoning to a B2 classification will allow the site to provide parking to support the Whiteford Packing Company's, retail outlet facility which is located on the adjacent site. A rezoning would also allow for future expansion opportunities. There are extensive amounts of under utilized GI zoned land in this area of the County. The majority of the GI zoned land was first granted in 1957 in recognition of the industrial uses in the area. Many of these uses are no longer in operation. There is currently an undersupply of business zoned land in the community. Harford County, as part of the Comprehensive Rezoning process, should have rezoned the subject parcel to B2 in order to make it consistent with the Master Plan and the neighborhood.

(2) Since the last Comprehensive Rezoning in 1989, there have been changes in the neighborhood. Since 1989, there has been increased traffic on MD. Rt 136. Additionally Harford County has granted approval to the Whiteford Sewer subdistrict project. Other retail development has occurred in the neighborhood. In addition,

Harford County constructed a new library complex in close proximity to the applicants property.

(c) The proposed reclassification of the property to a B2 use is consistent with the Village Designation on the "Master Land Use Map" (See attachment (b)(1)).

(d)

(1) See attachment (d)(1).

(2) See attachment (d)(1). - The parking area is shown on the concept plan.

(3) Neighborhood: The neighborhood is defined as the area bordered by the Pennsylvania State line to the north, Rt. 165 Wheeler School Road to the Southwest and Ridge Road to the Southeast. (See attachment (d)(3)).

(4) See attachment (d)(4).

(5) There are no Capital Improvement projects identified in FY 1997 - 1998 CIP for this area.

(e) Rezoning in the neighborhood: None

(f) See attachment (d)(1)

(g) See attachment (d)(g)

(h) None

(i) None

(j) No Harford County water is available. Harford County sewer is available to the site pursuant to the Whiteford/Cardiff Petition Agreement.
